The purpose of the Corolla Civic Association (CCA) is to promote the interests and welfare of the entire Currituck Outer Banks (COBX), from the Dare County to the Virginia state line, by providing information on subjects of interest, and to be the voice and conscience of the community, based on member input.

CCA will speak as one voice for all of its members to the community and governmental bodies. Membership in CCA is open to residents, business owners, and property owners on the Currituck Outer Banks.

“We need to find common ground to work together as a community—residents, property owners, businesses, and developers—to make the Currituck Outer Banks a place that people want to live, visit, and vacation year after year,” is the stated mission of CCA.

Take an active part in shaping the future of the Currituck Outer Banks and join CCA! Membership is only \$10/year per COBX household or business (\$25 for non COBX). Open to every property owner, resident and business on the Currituck Outer Banks, and non-COBX, with a suggested donation of \$25.
